

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. CHARLES E. GILDERSLEVE, *Treasurer.*

CHARLES DE F. BURNS, *Librarian and Superintendent.*

NEW YORK:
BAKER & GODWIN, PRINTERS,
PRINTING-HOUSE SQUARE.
1869.

NOTE.

This Library has been organized under a resolution of the Board of Metropolitan Fire Commissioners, bearing date the 27th day of December, 1867.

The books are purchased by private subscription, or procured by donation, and the book-cases manufactured by the men of the Department. Many other articles have been donated or deposited for the use of the Lyceum. Additional contributions will be gladly received and acknowledged.

The object is, as rapidly as possible, to supply to the Department a Library and Museum for the purpose of recreation, free of cost to them, and, so far as possible, without expense to the public.

The present list of books has been mainly purchased at auction sales by Mr. Gildersleve, under the direction of the Commissioner in Charge, and will be added to as opportunity offers.

REGULATIONS.

ARTICLE 1. The Firemen's Lyceum shall be open from 9 A. M. to 4 P. M. daily, Sundays excepted.

ART. 2. All members of the Department may avail themselves of the privileges of the Library, subject to such rules and regulations as may be from time to time adopted.

ART. 3. No person shall take a book from the Library without first having the same charged to him in the books of the Library.

ART. 4. Books will be delivered to members applying personally, or by *written order* only ; and no books so drawn by a privileged party shall be loaned.

ART. 5. Each member shall be entitled to but one book at a time.

ART. 6. Every member may detain each book, delivered as aforesaid, two weeks, or for any less time ; and if kept longer than the time limited shall forfeit for every day a volume is so detained two cents ; and the fine exacted shall be deducted from monthly pay.

ART. 7. The cleanliness of the books will add to the interest of the Library, and members using them will avoid soiling them.

ART. 8. If any member lose, soil, deface by marking, or otherwise mutilate a book, he shall make the same good ; and if the book lost or injured be one of a set, he shall be charged the full value of said set, and may thereupon receive the remaining volumes as his property.

ART. 9. Members of the Department may have access to the Library, when not on duty, for the purpose of reading or examining books ; the use of tobacco in any form being prohibited.

ART. 10. The accounts with the Library of any member withdrawing from the Department must be examined before his final payment, and a certificate given by the Librarian that no books are charged to him and not returned.
